

Specialty Art

These pieces were created for various charitable causes and are on display in offices and homes. They were donated as fund raisers.

#25 60" x 60"

...on display at the offices of CAWST, the Centre for Affordable Water Sanitation and Treatment, an NGO working in 70 countries, based out of Calgary. This image was created to convey the global reach of CAWST.

Riding the Bear 30" x 32"

*This piece was created for a charity called **Bosom Buddies**, which provides support to families of cancer victims. The term “riding the bear” was one used by my late sister Teri as she rode the uncontrollable ravages of cancer drugs. **Riding the Bear** meant getting through it all.*

Abyss 72" x 72"

This piece was created for Robert F. Kennedy Jr.'s Waterkeepers Alliance and was on display at a gala event in Banff.

Me in front of "Abyss" ...with evening co-hosts Robert Kennedy Jr. and Alec Baldwin.

Air Force One 39" x 31"

Pelicans are the guardians of Pigeon Lake, where my studio is and the Pigeon Laker Watershed Association is an environmental organization that I do projects with from time to time. This piece will be used in a future fund raiser for them.
